

Attention all San Luis Obispo County Providers!
Due to popular demand we have scheduled another
Basic Training Workshop

Don't miss this last opportunity to attend one of our Trainings!
Sign up now to learn about our transition into San Luis Obispo County and what it means for your office

Get to know us and our programs: San Luis Obispo Health Initiative (SLOHI), Santa Barbara Health Initiative (SBHI), Prenatal Plus 2 (PP2), In-Home Supportive Services (IHSS), Healthy Families (HF), and Healthy Kids (HK). Gain knowledge on eligibility verification, authorizations, and more!

A website demonstration will be held to review: electronic referrals (eRAFs), electronic Authorizations (eTARs), batch eligibility, and claims submission. Become comfortable navigating our website!

We are offering a session specific to claims and billing. If you are new to billing CenCal Health or would like a refresher course, this session is perfect for you. Our Claims Department staff will be on-hand to offer tips and suggestions on submitting a clean claim every time!
