CenCal Health Provider Workshops

**Want to know more about our programs? New to billing CenCal Health?
Join us for training on the basics!**

Get to know us and our programs: San Luis Obispo Health Initiative (SLOHI), Santa Barbara Health Initiative (SBHI), Prenatal Plus 2 (PP2), In-Home Supportive Services (IHSS), Healthy Families (HF), Healthy Kids (HK). Gain knowledge on eligibility verification, authorizations, and more!

A website demonstration will be held to review: electronic referrals (eRAFs), electronic Authorizations (eTARs), batch eligibility, claims submission, and becoming comfortable navigating our website!

We will be offering a session specific to claims and billing. If you are a new to billing CenCal Health, the afternoon session is perfect for you. Our Claims Department staff will be on-hand to offer tips and suggestions on submitting a clean claim every time!

The purpose of these workshops is to provide a basic introduction to CenCal Health. These introductory level workshops are intended for new staff to your office or staff that might not be familiar with all aspects of working with CenCal Health. We encourage those that are already familiar with CenCal Health to attend our Advance Billing Workshop in June. Remember you can also schedule an on-site visit for training at your office.

Workshop RSVP

Please fill out the form below, select which workshop and sessions you would like to attend and fax to (805) 595-1492 by April 19, 2010.
