

Children's Oral Health Summit 2010

ORAL HEALTH SUMMIT – JUNE 25TH

The first Children's Oral Health Summit for Santa Barbara County is scheduled for June 25, 2010 at the Marriott in Buellton. The event targets health professionals, school and community leaders, medical and dental providers, nurses, the philanthropic community and public officials.

There will be a provider panel of experts in the field, moderated by Peter Hasler, MD, Medical Director of Santa Barbara County Public Health Department. Featured presenters, Susan Fisher Owens, MD, will discuss the critical role of oral health in optimal child health, and Jared Fines, DDS, will speak on building sustainable oral health programs.

CenCal Health will be offering CME units for physicians.

The deadline to register for the Summit is June 11, 2010. For more information, [view PDF brochure](#).

In partnership with Santa Barbara County Children's Oral Health Collaborative join us as we come together as medical and dental providers, nurses, public officials, and the philanthropic community to hear what we have learned about children's oral health and to share ideas and plans for next steps.
